the Gospel Concert

Featuring Gospel recording artists -

Celeste Zugec (Ex Press & Publicity Manager for Capitol Records Canada)

Harold Wicks

Retired early from the Peel Board of Education to record and minister in music

Both Harold & Celeste are involved in prison and music ministry in southern Ontario and together with their spouses travelled to Newfoundland for their renowned (at least in NFLD) "Soul Fishin' on the Rock" concert tour.

Stories in word and song of their hilarious times together and God's powerful work in their lives will make you laugh and cry... sometimes all at the same time!
